The Cardboard Classic, Steamboat's traditional rite of spring celebrating over three decades of fun, features homemade crafts constructed only from cardboard, glue, string, water based paint, duct tape and masking tape racing down the face of Headwall to a hysterical finish. The uniqueness and creativity of the race make it an event looked forward to every year.

Missed The Boat

FREE CONCERT ~ Gondola Square

April 13th ~ 3pm

Missed the Boat has been stunning listeners at live shows and over the airwaves throughout Colorado with their unique Americana-Jamgrass driven sound. MTB produces the energy infused, positive, and upbeat sound that radio listeners deserve and concertgoers love. With their consistent touring schedule and 7 submissions on the 2010/2011 Grammy ballots, Missed the Boat is taking the Colorado and national music scene by surprise. From lonesome high country bluegrass to Americana-fed rock n' roll, this is a music experience you will not want to miss.

6th Annual Splashdown Pondsikim Competition

The Steamboat Ski Area closes out its 50th Anniversary Season on Sunday, April 14th with special Springalicious Festival events. Head for the Hills

FREE CONCERT ~ Gondola Square

April 14th ~ 2:30pm

"Head for the Hills" has created a sound that is all at once organic, precise, timeless, and brand-new," as reported by the Missoula Independent. The acclaimed Colorado quartet has been receiving nation-wide recognition in response to their refreshing take on acoustic music. Described as "modern acoustic" music, H4TH produces an endearing mixture of homegrown compositions, traditional harmonies, and improvisation.

Leftover Salmon

FREE CONCERT ~ Gondola Square

April 14th ~ 4pm

Looking back over the past 25 years of rootsy, string-based music, the impact of Leftover Salmon is impossible to deny. Formed in Boulder at the end of 1989, the Colorado slamgrass pioneers were one of the first bluegrass bands to add drums and tour rock & roll bars, helping Salmon become a pillar of the jam band scene and unwitting architects of the jam grass genre. If Leftover Salmon had never played another note after leaving the stage in 2005, the legacy would have been secure; the members' names etched in the books of history.
